

A Redlander For Life!

Dear Redlanders,

It has been another busy and rewarding term with many Alumni returning to campus to celebrate with our community and connect with each other. Redlands Hall was buzzing and filled to capacity for the second Redlander Alumni Awards and we warmly congratulate this year's winners across different generations and fields of endeavour, who have remained connected and engaged with their alma mater.

It was a pleasure to meet with those celebrating their 20, 30 and 40 Year Milestone Reunions in our innovative Redlands Learning Hub, which opened in May 2020 replacing the Mowll Building. Thank you for sharing your stories with us on the night. It was terrific to welcome back alumni from overseas and also those who have children currently enrolled at Redlands.

Redlands recognises the many volunteers who continue to support current students across multiple initiatives. We also thank those volunteers who work hard at events to ensure their success.

A special thank you must go to those Redlanders who supported a number of major Appeals this year, including the Liggins Restoration Appeal and the [Dr Sue Morey AM Scholarship Appeal](#). With everyone's help we will be able to provide a gift of education to well deserving students.

If you still wish to join us you may.

Wishing all Redlanders a very happy Christmas with friends and family, and a

Back to campus 1983, 1993 and 2003

It was fantastic to welcome more than 100 Redlanders back to campus to celebrate, share stories and see some of the recent developments that have taken place at the School, as well as

Class of 1963

Members of the Class of 1963 came together and celebrated 60 years since attending Redlands. It was a wonderful evening and we thank the year group for its ongoing connection with Redlands. In particular, we would like to thank Chris Alexander and Janice Craven who organised this event.

Class of 1973

Thank you to Prudence Boulton from the Class of 1973 for coordinating a 50 year reunion luncheon. This cohort generously donated a painting of the Liggins Building by Simon Fieldhouse to the School which was featured on various collateral celebrating 100 Years of Liggins. Thank you for your gift and your ongoing connection with and support of Redlands.

Class of 1969

It was fantastic to hear from the Class of 1969 who had a wonderful gathering to spend time with Penny Attwood who was visiting Sydney from her home in the UK. It is lovely to see the lifelong friendships made during school days remain important and cherished.

Redlanders Alumni Association AGM

The Redlanders Alumni Association AGM took place on Tuesday, 14 November 2023 at 6pm in the Liggins Meeting Room. Our Principal Mr Sean Corcoran, updated the group on recent developments, acknowledged the contributions of our Alumni community and welcomed all the assistance which was initiated by the Association this year.

Thank you to President Natalie Davies RL 1987 and current Year 12 parent, who has led the Committee over the last year. We greatly appreciate the time and work involved and are grateful for your enthusiasm and leadership.

It was a privilege to be joined by Redlands Board Director Amy Cheung, RL 1990, who spoke of why she is so proud to serve as a member of the Redlands Board, and that Alumni representation is important for the good governance of the School.

Congratulations to the 2024 Committee Members:

Natalie Davies RL 1987, President

Vicky Kvisle RL 1974, Vice President

William Cheng RL 2017, Secretary

Jeff Brown RL 2016, Treasurer

Ben Dixon RL 2010

Georgina Joyce RL 2018

Lachlan van der Pluijm RL 2019

Yasmin Gupta RL 2020 TBC

Grace Khalilah Bracks RL 2020 TBC

Kim Flatman RL 1991 and Alumni Coordinator Ex Officio

Thank you to our Alumni volunteers who give back to current students.

We would like to extend our deep thanks to the many Alumni who volunteer at Redlands in a variety of ways, from working at events and fundraising support for scholarships, to crewing stalls at the Redlands Fair.

The contribution of those who generously welcomed small groups of Year 11 students to their workplace to provide deeper insights, spark curiosity and talk about 'soft skills' required in different careers and workplaces, is something we would like to continue to develop and build on.

Enormous thanks to our hosts:

Joshual Rohan-Gould 2016 – Wolf Pack and Sabre Astronautics (Space Sciences & Entrepreneurship)

Charlie Marriott RL 2009 – Atlassian (Technology)

Dr Katherine (Katie) Zyner RL 2005 – Children's Medical Research Institute (Medical Science)

Jaid Hulsbosch RL 1995 – Hulsbosch (Advertising)

Brodie McHutchinson RL 1991 – Carmichael Tompkins Property Group (Construction & Project Management)

INNOVATION

Tom Killingback, Sander Kalcina and Sebastian Williams – RL 2018

Tom Killingback, Sander Kalcina and Sebastian Williams

We are thrilled to congratulate Tom Killingback, Sander Kalcina and Sebastian Williams, all members of the Class of 2018, for their contribution to the success of the UNSW Solar Racing Team Sunswift , a Vertically Integrated Project within the CHALLENG program at UNSW.

“The team believes in pushing the limits of technology to inspire sustainable action. The team designs, builds, manufactures and races solar / electric cars in the Bridgestone World Solar Challenge (Darwin to Adelaide) to demonstrate their potential as a practical alternative to traditional petrol-fuelled transport. The team aims to push further for international accomplishments and accelerate the future of renewable energy by creating a modern, high-tech, comfortable and efficient car.” Sunswift LinkedIn Profile page.

Tom is currently studying a Bachelor of Mechatronic Engineering / Computer Science and was the Technical Manager of the project overseeing all electrical engineering, software engineering

and support operations of the team through the build of the car, the World Record and Remote Driving projects (and he also likes producing student musicals!).

Sander is currently studying Commerce (Finance) and Engineering (Mechatronic) and is the Chief Designer at Sunswift Racing, where he helped the team achieve a Guinness World

has been one of the foundation schools in the development of the Midawarr program, where all of our Year 10 students have the on-country opportunity to learn about indigenous cultures.

- Strengthening our Pastoral Care program with the introduction of a new [Student Wellbeing Framework](#), a whole school approach to social and emotional learning (SEL), focusing on self-awareness, self-management, social awareness, relationship skills and responsible decision-making. Introducing new Entrepreneurial and Innovative Thinking programs, where our students are learning about new technologies, AI and entrepreneurship to solve real world problems.

Scholarship applications for Year 7 2025 are now open.

There are a wide range of scholarship opportunities offered for Secondary School education at Redlands.

Karen Aroney (nee Yabsley), RL 1972, Science Teacher, Redlands Parent,
Redlander Alumna

After 33 years of service to Redlands we say thank you to Karen Aroney for your service. A beloved teacher and highly valued member of the Science Faculty, Redlander Karen Aroney (nee Yabsley), RL 1972, retired from teaching at the end of Term 3. During her time at Redlands Karen inspired hundreds of students and was a wonderful member of our wider community as a parent and a past student. Karen will be greatly missed indeed.

Please contact us at alumni@redlands.nsw.edu.au with your news, achievements or any other initiatives you would like to share about yourself or fellow Redlanders.
